PROXY STATEMENT

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (collectively, the "Board"; and, individually, each a "Director") of Terra Tech Corp., a Nevada corporation (the "Company"), of proxies to be used at the Annual Meeting of Stockholders of the Company to be held on September 25, 2018 (the "Annual Meeting"). This Proxy Statement and the related proxy card and Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2017 are being mailed or made available via the Internet to stockholders commencing on or about August 15, 2018.

PROXIES AND VOTING

Stockholders Entitled to Vote

Stockholders of record of the Company at the close of business on August 2, 2018 (the "Record Date") will be entitled to vote at the Annual Meeting. On that date, 72,189,614 shares of common stock, par value \$0.001 per share, of the Company (the "Common Stock") were outstanding and entitled to vote. Also, on that date eight shares of Series A preferred stock, par value \$0.001 per share (the "Preferred Stock"), of the Company were outstanding and entitled to vote.

Number of Votes

Common Stock: For vote tabulation purposes at the Annual Meeting, each share of Common Stock is entitled to one vote at the Annual Meeting. Collectively, the holders of Common Stock are entitled to 72,189,614 votes at the Annual Meeting.

Series A Preferred Stock: For vote tabulation purposes at the Annual Meeting, each share of Series A Preferred Stock is entitled to one vote for each share of Common Stock into which a share of Series A Preferred Stock is convertible. Accordingly, each share of Series A Preferred Stock is entitled to one vote at the Annual Meeting. Collectively, the holders of Series A Preferred Stock are entitled to eight votes at the Annual Meeting.

Proxy

If the enclosed proxy card is executed and returned, the shares represented by it will be voted as directed on all matters properly coming before the Annual Meeting for a vote. Returning your completed proxy card will not prevent you from voting in person at the Annual Meeting should you be present and desire to do so. If your shares are registered directly in your name with the Company's transfer agent, West Coast Stock Transfer Inc., you are considered the stockholder of record with respect to those shares and you may cast your vote in person at the meeting or by any one of the following ways:

By Telephone: You may call the toll-free number indicated on your proxy card. Follow the simple instructions and use the personalized control number specified on your proxy card to vote your shares. You will be able to confirm that your vote has been properly recorded. Your telephone vote authorizes the named proxies to vote your shares in the same manner as if you had marked, signed, and returned a proxy card.

Over the Internet: You may visit the website indicated on your proxy card. Follow the simple instructions and use the personalized control number specified on your proxy card to vote your shares. You will be able to confirm that your vote has been properly recorded. Your Internet vote authorizes the named proxies to vote your shares in the same manner as if you had marked, signed, and returned a proxy card.

By Mail: You may mark, sign, and date the enclosed proxy card and return it in the postage-paid envelope provided.

If your shares of Common Stock are held in an account at a brokerage firm, bank, broker-dealer, or other similar organization, then you are the "beneficial owner" of shares held in "street name." The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to instruct that organization on how to vote the shares held in your account. If you request printed copies of these proxy materials by mail, you will receive a voting instruction form.

Proxy Revocation

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted at the Annual Meeting. Proxies may be revoked by (i) delivering to the Secretary of the Company, before the taking of the vote at the Annual Meeting, a written notice of revocation bearing a later date than the proxy, (ii) duly completing a later-dated proxy card relating to the same shares and presenting it to the Secretary of the Company before the taking of the vote at the Annual Meeting, or (iii) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy). Any written notice of revocation or subsequent proxy should be delivered to the Company's Secretary at the Company's principal executive offices, the address of which is noted on the Notice of Annual Meeting, or hand delivered to the Secretary of the Company, in either case before the taking of the vote at the Annual Meeting.

Quorum

The holders of five percent (5%) or more of the total number of outstanding shares of Common Stock entitled to vote must be present in person or by proxy to constitute the necessary quorum for any business to be transacted at the Annual Meeting. The inspectors of election appointed for the Annual Meeting will determine whether a quorum is present. Shares that abstain from voting on any proposal and "broker non-votes" will be counted as shares that are present and entitled to vote for purposes of determining whether a quorum exists at the Annual Meeting. For purposes of determining the outcome of any matter as to which a broker (or other nominee) has not received instructions, and for which it does not have discretionary voting authority, those shares will be treated as not present and not entitled to vote with respect to that matter (even though those shares are considered entitled to vote for purposes of determining whether a quorum exists and may be entitled to vote on other matters). For proposals that require a majority of votes outstanding to pass, these shares will be treated as voted "against" such proposal.

Required Votes

The nominees for Director receiving the greatest number of votes cast at the Annual Meeting in person or by proxy will be elected. Consequently, any shares of Common Stock present in person or by proxy at the Annual Meeting, but not voted for any reason, have no impact in the election of Directors. Stockholders have no right to cumulative voting as to any matter, including the election of Directors.

Regarding the proposal to ratify the appointment of Marcum as our independent registered public accounting firm for the fiscal year ending December 31, 2018, an affirmative vote of a majority of the shares present in person or by proxy and entitled to vote is required for approval. Abstentions will have the same effect as votes against the proposal. Broker non-votes will not be considered as shares present and entitled to vote on the proposal and will not have a positive or negative effect on the outcome of this proposal.

PROPOSAL ONE:

ELECTION OF DIRECTORS

At the Annual Meeting, stockholders will consider the election of four Directors for terms ending at the next annual meeting of stockholders and/or until their respective successors are duly elected and qualified. The following pages contain information about the Company's Directors, including the nominees for re-election.

The current terms of office for Derek Peterson, Michael A. Nahass, Steven J. Ross, and Alan Gladstone will expire on the day of the Annual Meeting (as soon as they or their successors are elected). The Board, upon the recommendation of the Governance and Nominating Committee, has nominated each of these incumbents for re-election at the Annual Meeting to hold office until the next annual meeting of stockholders and/or until their respective successors are duly elected and qualified.

If any nominee becomes unavailable for any reason before the election, which event is not anticipated, the proxies will be voted for the election of such other person as a Director as the Board may recommend.

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE ELECTION OF THE NOMINEES NAMED BELOW.

NOMINEES FOR DIRECTORS

Following is information about the four Directors nominated for re-election at this Annual Meeting:

<u>Name</u>	<u>Director or Officer Since</u>	<u>Age</u>	<u>Positions</u>

Alan Gladstone	2017	70	Director

Derek Peterson - Mr. Peterson has served as our President and Chief Executive Officer, and Chairman of the Board, since February 9, 2012. Mr. Peterson served as President until November 6, 2017. Mr. Peterson began his career in finance with Crowell, Weedon & Co. (now, D.A. Davidson & Co.), the then-largest independent broker-dealer on the West Coast. In his 6 years there, Mr. Peterson became a partner and Branch supervisor, where he was responsible for sales of over \$10 million. Mr. Peterson was offered an opportunity to build a southern Orange County presence for Wachovia Securities, where he became the first Vice President and Branch Manager for its Mission Viejo location. He was instrumental in growing that office from the ground up into the \$15 million office it is today. After his term at Wachovia Securities (now, Wells Fargo Advisors), Mr. Peterson accepted an opportunity for a Senior Vice President position with Morgan Stanley Smith Barney, where he and his team oversaw combined assets of close to \$100 million. In addition, he has also been involved in several public and private equity financings, where he has personally funded several projects from angel to mezzanine levels. Mr. Peterson is a CFP® Professional and holds his Series 7 (General Securities Representative), Series 9 and 10 (General Securities Sales Supervisor), Series 3 (National Commodity Futures), Series 65 (Investment Advisor Representative), and California Insurance License. Mr. Peterson holds a Bachelors degree in Business Management from Pepperdine University. Mr. Peterson also owned a 12% interest in Black Oak Gallery until we acquired Black Oak Gallery on April 1, 2016. As a co-owner of Black Oak Gallery, Mr. Peterson worked with governmental agencies and tax authorities in Oakland, including working with the city to establish medical cannabis ordinances, competed for a permit to operate, and responded to a city request for proposal. Mr. Peterson's experiences gained through these matters assist us in operating the medical marijuana and adult use cultivation, production and dispensary businesses of MediFarm, MediFarm I, and MediFarm II, as well as IVXX's launch of its line of cannabis flowers, cigarettes, and pure concentrates. Mr. Peterson's background in investment banking led to our conclusion that he should serve as a director in light of our business and structure.

Michael Nahass - Mr. Nahass has served as a Director since January 26, 2012, and as our Secretary and Treasurer since July 20, 2015, and as our President and Chief Operating Officer since November 6, 2017. Steven J. Ross - Mr. Ross has served as a Director since July 23, 2012, and has over 30 years of senior management experience, ranging from high growth private companies to multi-billion dollar divisions of public enterprises. During his tenure at Anna's Linens, he grew the business to 305 stores in 23 states with over \$200 million in annual revenues. He managed a team of 12 executives and over 3,500 employees and oversaw the company's M&A strategy. Anna's Linens was ranked the 13th largest seller of home textiles nationally in 2013 on June 14, 2015, Anna's Linens filed a petition in the United States Bankruptcy Court for the Central District of California seeking relief under Chapter 11 of the United States Bankruptcy Code. Prior to his time at Anna's Linens, he was a self-employed retail business consultant, where he counted Vons grocery stores, T.G. &Y., and Cook United, Inc., in his client base. He was also President of Home Front, a division of United States Shoe Corporation, from 1983 to 1986, where he led a team of 800 employees. In this role, he led the profitable growth of the business from 21 stores to 105 stores and grew annual sales from \$40 million to \$400 million. Mr. Gladstone has a BS in Economics from the University of California, Irvine. Mr. Gladstone's entrepreneurial experience and success in retail led to our conclusion that he should serve as a Director and Chairman of the Compensation Committee in light of our business and structure.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

Director Independence

The Board reviews the independence of each Director at least annually. During these reviews, the Board will consider transactions and relationships between each Director (and his immediate family and affiliates) and the Company and our management to determine whether any such transactions or relationships are inconsistent with a determination that the Director was independent. The Board determined that Messrs. Ross and Gladstone are independent Directors. The determination of independence of directors has been made using the definition of "independent director" contained in Section 5605 of The NASDAQ Stock Market Rules.

Board Meetings

Our Board held three (3) formal meetings during the year ended December 31, 2017, at which time each then-serving Director was present. All other proceedings of our Board were conducted by resolutions consented to in writing by all of the Directors and filed with the minutes of the proceedings of the Board.

Attendance at Annual Meeting

Although the Company does not have a policy with respect to attendance by members of the Board at its annual meeting of stockholders, Directors are encouraged to attend.

Committees

Audit Committee. The Audit Committee met thirteen (13) times during 2017. Each member of the Audit Committee attended each meeting during his tenure as a Director. In addition to the enumerated responsibilities of the Audit Committee in the Audit Committee Charter, the primary function of the Audit Committee is to assist the Board in its general oversight of our accounting and financial reporting processes, audits of our financial statements, and internal control and audit functions. The Audit Committee Charter can be found online at <http://ir.terratechcorp.com/governance-docs>.

The Audit Committee also has received and reviewed the written disclosures and the letter from MGO required by applicable requirements of the PCAOB regarding MGO's communications with the Audit Committee concerning independence, and has discussed with MGO its independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the financial statements referred to above be included in our Annual Report on Form 10-K for the year ended December 31, 2017 for filing with the SEC.

Compensation Committee. On November 4, 2015, the Board established the Compensation Committee and approved and adopted a charter (the "Compensation Committee Charter"). Each member of the Compensation Committee meets the independence requirements of NASDAQ and the SEC, is a "non-employee director" within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and is an outside director within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). The Compensation Committee held one (1) meeting during 2017. Each member of the Compensation Committee attended each meeting during his tenure as a Director. In addition to the enumerated responsibilities of the Compensation Committee in the Compensation Committee Charter, the primary function of the Compensation Committee is to oversee the compensation of our executives, prepare an annual report on executive compensation for inclusion in our proxy statement, if and when required by applicable laws or regulations, and advise the Board on the adoption of policies that govern our compensation programs. The Compensation Committee Charter may be found online at <http://ir.terratechcorp.com/governance-docs>.

Nominating and Corporate Governance Committee. On November 4, 2015, the Board established the Nominating Committee and approved and adopted a charter (the "Nominating Committee Charter"). Mr. Ross was appointed to serve on the Nominating Committee during 2016 and was designated as Chairman. Mr. Gladstone was appointed to serve on the Nominating Committee during 2017. Kenneth Krueger served as a member of the Nominating Committee from 2016 until his resignation from our Board in 2017. Each member of the Nominating Committee meets the independence requirements of NASDAQ and the SEC. The Nominating Committee held one (1) meeting during 2017. Each member of the Nominating Committee attended each meeting during his tenure as a Director. In addition to the enumerated responsibilities of the Nominating Committee in the Nominating Committee Charter, the primary function of the Nominating Committee is to determine the slate of director nominees for election to the Board, to identify and recommend candidates to fill vacancies occurring between annual stockholder meetings, to review our policies and programs that relate to matters of corporate responsibility, including public issues of significance to us and our stockholders, and any other related matters required by federal securities laws. The Nominating Committee also considers candidates recommended by stockholders. Stockholders wishing to recommend director candidates for consideration by the Nominating Committee may do so by writing to the Secretary of the Company, giving the recommended candidate's name, biographical data and qualifications. The charter of the Nominating and Corporate Governance Committee may be found online at <http://ir.terratechcorp.com/governance-docs>.

Compensation Committee Report

The Compensation Committee has reviewed and discussed with management the disclosures contained in the Compensation Discussion and Analysis. Based on this review and discussion, the Compensation Committee recommended to the Board that the section entitled Compensation Discussion and Analysis be included in the Proxy Statement.

Mr. Ross, Mr. Gladstone, and, until his resignation from the Board, Mr. Krueger, were members of the Compensation Committee during 2017.

Compensation Committee Interlocks and Insider Participation

Messrs. Ross and Gladstone were members of the Compensation Committee during 2017. None of the members of the Compensation Committee is or has been an executive officer of the Company. Relationships requiring disclosure under Item 404 of SEC Regulation S-K between the Company and Mr. Ross and Mr. Gladstone and disclosed below under Certain Relationships and Related Transactions. None of the Company's executive officers served as a director or a member of a compensation committee (or other committee serving an equivalent function) of any other entity, an executive officer of which served as a director of the Company or member of the Compensation Committee during 2017.

Board Leadership Structure

The Board does not have a formal policy on whether the roles of Chief Executive Officer and Chairman of the Board should be separate. Mr. Peterson currently serves as our Chief Executive Officer and Chairman of the Board. The Board has considered its leadership structure and believes at this time that the Company and its stockholders are best served by having Mr. Peterson serve in these positions. The Board expects to review its leadership structure periodically to ensure that it continues to meet our needs.

The Board's Role in Risk Oversight

The Board oversees the risk management of the Company. The full Board, as supplemented by the appropriate Board committee in the case of risks that are overseen by a particular committee, reviews information provided by management in order for the Board to oversee risk identification, risk management, and risk mitigation strategies. Our Board committees assist the full Board's oversight of our material risks by focusing on risks related to the particular area of concentration of the relevant committee. For example, our Compensation Committee oversees risks related to our executive compensation plans and arrangements; our Audit Committee oversees the financial reporting and control risks; and our Nominating and Corporate Governance Committee oversees risks associated with the independence of the Board and potential conflicts of interest. Each committee reports on these discussions of the applicable relevant risks to the full Board during the committee reports portion of the Board meeting, as appropriate. The full Board incorporates the insight provided by these reports into its overall risk management analysis.

Code of Ethics

On November 4, 2015, our Board approved and adopted a Code of Ethics (the "Code of Ethics") that applies to all of our Directors, officers, and employees, including our principal executive officer and principal financial officer. The Code of Ethics addresses such individuals' conduct with respect to, among other things, conflicts of interests; compliance with applicable laws, rules, and regulations; full, fair, accurate, timely, and understandable disclosure by us; competition and fair dealing; corporate opportunities; confidentiality; insider trading; protection and proper use of our assets; fair treatment; and reporting suspected illegal or unethical behavior. The Code of Ethics is available on our website at <http://ir.terratechcorp.com/governance-docs>.

Compensation Discussion and Analysis

Compensation Philosophy and Objectives

Our compensation policy is designed to attract and retain qualified key executive officers critical to our achievement of reaching and maintaining profitability and positive cash flow, and subsequently our growth and long-term success. To attract, retain, and motivate the executive officers required to accomplish our business strategy, the Compensation Committee establishes our executive compensation policies and oversees our executive compensation practices.

The Compensation Committee reviews and approves the compensation arrangements for our executive officers, administers our equity compensation plan, and reviews the Board's compensation. The Compensation Committee's authority may not be delegated to our management or others. The Company does not use a compensation consultant to determine or recommend the amount or form of executive and director compensation.

The Compensation Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of our specific annual, short-term and long-term goals, and which aligns executives' interests with those of the stockholders by rewarding performance that meets or exceeds established goals, with the ultimate objective of improving stockholder value.

It is the objective of the Compensation Committee to have a portion of each executive officer's compensation contingent upon our performance, as well as upon the individual's personal performance. Accordingly, each executive officer's compensation package is comprised of two elements: (i) base salary, which reflects individual performance and expertise and (ii) bonus and long-term equity incentive awards, which are tied to the achievement of certain performance goals that the Compensation Committee establishes from time to time. Based on the foregoing objectives, the Compensation Committee has structured compensation of our executive officers to achieve the business goals set by us and reward the executive officers for achieving such goals.

The Compensation Committee also evaluates our compensation program to ensure that we maintain the ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executive officers. In its evaluation, the Compensation Committee reviews data on prevailing compensation practices of comparable companies in our peer group with whom we compete for executive talent, and evaluates such information in connection with corporate goals and compensation practices.

Setting Executive Compensation

In making compensation decisions, the Compensation Committee relies on the following:

- the annual reviews made by the Chief Executive Officer with respect to the performance of each of our other executive officers;
- the annual review conducted by the Compensation Committee with respect to the performance of the Chief Executive Officer;
- compensation paid to executive officers of companies in our peer group; and
- our annual performance with respect to our short-term and long-term strategic plan.

There is no pre-established policy or target for the allocation between either cash and non-cash or short-term and long-term incentive compensation. Rather, the Compensation Committee annually reviews information to determine the appropriate level and mix of incentive compensation when determining our executive compensation plan. The Compensation Committee also considers the results of the most recent shareholder advisory vote on executive compensation.

Based on these factors, the Compensation Committee makes compensation decisions, including salary adjustments, annual bonus awards, and long-term equity incentive awards for our executive officers.

2017 Executive Compensation Components.

For the year ended December 31, 2017, the principal components of compensation for executive officers were: (i) base salary and (ii) bonus and long-term equity incentive awards.

Base Salaries. Base salaries are determined for each executive officer based on his individual qualifications and relevant experience, the strategic goals which he was responsible for, the compensation levels at companies in our peer group, and other incentives necessary to attract and retain qualified management. Salary levels are reviewed annually as part of our performance review process as well as upon a promotion or other change in job responsibility. Merit-based increases to base salaries are based on the annual reviews conducted by the Chief Executive Officer, for all executive officers other than him, the annual review conducted by the Compensation Committee with respect to the Chief Executive Officer, and the Compensation Committee's assessment of each individual executive's performance.

Bonuses and Long-Term Equity Incentive Awards. We provide executive officers and other key employees with incentive compensation to incentivize and reward them for high performance and achievement of certain Company goals. The bonus program is designed to reward our executive officers for achieving certain financial objectives tied to growth and profitability set each year by the Compensation Committee. The long-term equity incentive awards are designed to reward executive officers for achieving strategic milestones, as well as for retaining executive officers and other key employees.

Cash bonuses are periodically awarded to our employees and to members of our management team. Such bonuses are discretionary in nature, and are based primarily on subjective criteria, such as overall company performance, both financial and operational, successful completion or implementation of process improvement goals, and individual performance merit. On occasion, we have paid small, sign-on bonuses to new employees as part of the hiring process. The dollar value of cash bonuses, other than sign-on bonuses, is determined by our Chief Executive Officer and submitted to the Compensation Committee for discussion and consideration.

The Compensation Committee has the latitude to award our executive officers, or other key employees, stock options. Stock options are awarded under the 2016 Equity Incentive Plan. In granting these awards, the Compensation Committee may establish any conditions or restrictions it deems appropriate. Options are awarded at the closing price of the Company's stock on the date of the grant.

For the year ended December 31, 2017, the Compensation Committee granted stock options to the executive officers as disclosed in the Narrative Discussion of Summary Compensation section above.

Retirement Benefits. We do not currently offer any retirement benefits.

Executive Compensation and Risk. Although a substantial portion of the compensation paid to our executive officers is performance-based, we believe our executive compensation programs do not encourage excessive and unnecessary risk-taking by our executive officers because these programs are designed to encourage our executive officers to remain focused on both the short-term and long-term operational and financial goals of the Company. We achieve this balance through a combination of elements in our overall compensation plans, including: elements that reward different aspects of short-term and long-term performance; incentive compensation that rewards performance on a variety of different measures; and cash awards and stock option awards, all to encourage alignment with the interests of stockholders.

PROPOSAL TWO:

RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Marcum has served as independent registered public accounting firm to the Company since August 14, 2018.

The Board has directed management to submit the selection of the independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. The decision to appoint Marcum as the new registered public accounting firm was approved by the Company's Audit Committee.

On August 14, 2018 the Company and Macias Gini & O'Connell LL ("MGO") mutually agreed to terminate the engagement of MGO as the Company's independent registered public accounting firm. The decision to change registered public accounting firms was approved by the Company's Audit Committee.

The audit reports by MGO on the financial statements of the Company as of and for the years ended December 31, 2016 and December 31, 2017, did not contain an adverse opinion or disclaimer of opinion, and was not modified or qualified as to uncertainty, audit scope or accounting principles. During the Company's two most recent fiscal years ended December 31, 2017 and through the subsequent interim period through August 14, 2018, there were no (1) disagreements (as described in Item 304(a)(1)(iv) of Regulation S-K) between the Company and MGO on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of MGO, would have caused MGO to make reference to the subject matter of the disagreements in connection with its reports on the consolidated financial statements for such fiscal years, or (2) reportable events as set forth in Item 304(a)(1)(v) of Regulation S-K, except that MGO advised the Company of material weaknesses involving internal controls and procedures related to (i) Risk Assessment; (ii) Control Environment; (iii) Control Activities, (iv) Information and Communications and (v) Monitoring.

The Company engaged Marcum LLP as its registered public accounting firm, effective August 14, 2018. The decision to appoint Marcum as the new registered public accounting firm was approved by the Company's Audit Committee.

During the Company's two most recent fiscal years and until not earlier than August 14, 2018, neither the Company nor anyone on its behalf consulted with Marcum with respect to any of (i) the application of accounting principles to a specified transaction, either completed or proposed or the type of audit opinion that might be rendered on the Company's financial statements; or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K) or an event of the type described in Item 304(a)(1)(v) of Regulation S-K.

Although stockholder ratification of this appointment is neither required by law nor binding on the Audit Committee, the Audit Committee believes that stockholders should be given the opportunity to express their views. If the stockholders do not ratify the appointment of Marcum as the Company's independent auditors, the Audit Committee will consider this vote in determining whether or not to continue the engagement of Marcum. Representatives of Marcum will attend the Annual Meeting. They will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF MARCUM LLP, AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2018.

Audit Committee Pre-Approval Policies and Procedures

The Board, or the Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by our independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is specific to the particular service or category of services and is generally subject to a specific budget. In addition, the Audit Committee has delegated pre-approval authority to its Chairman who, in turn, must report any pre-approval decisions to the Audit Committee at its next scheduled regular meeting. Our independent registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by our independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis. The Board, or the Audit Committee, as applicable, pre-approved all fees for audit and non-audit work performed during fiscal 2017 and 2016.

Prior to November 4, 2015, we did not have an audit committee to oversee the external audit process, which includes approving engagement letters, estimated fees and solely pre-approving all permitted audit and non-audit work performed by other auditors, and, thus, prior to such date, the entire Board oversaw this process.

SUBMISSION OF STOCKHOLDER PROPOSALS

The Company must receive by April 19, 2019 any proposal of a stockholder intended to be presented at the 2019 Annual Meeting of Stockholders of the Company (the "2019 Meeting") and to be included in the Company's proxy card, notice of meeting, and proxy statement related to the 2019 Meeting pursuant to Rule 14a-8 under the Exchange Act. Such proposals must be addressed to Terra Tech Corp., 2040 Main Street, Suite 225, Irvine, California, 92614, and should be submitted to the attention of Michael Nahass by certified mail, return receipt requested. Proposals of stockholders submitted outside the processes of Rule 14a-8 under the Exchange Act ("Non-Rule 14a-8 Proposals") in connection with the 2019 Meeting must be received by the Company by July 1, 2019 or such proposals will be considered untimely under Rule 14a-4(c) of the Exchange Act. The Company's proxy related to the 2019 Meeting will give discretionary authority to the proxy holders to vote with respect to all Non-Rule 14a-8 Proposals received by the Company after July 1, 2019.

PROXY SOLICITATION AND COSTS

The Company will bear the costs of soliciting proxies from its stockholders. In addition to the use of the mails, proxies may be solicited by the Directors, officers, and employees of the Company by personal interview or telephone. Such Directors, officers, and employees will not be additionally compensated for such solicitation but may be reimbursed for out-of-pocket expenses incurred in connection with such solicitation. Arrangements will also be made with brokerage houses and other custodians, nominees, and fiduciaries for the forwarding of solicitation materials to the beneficial owners of Common Stock held of record by such persons, and the Company will reimburse such brokerage houses, custodians, nominees, and fiduciaries for reasonable out-of-pocket expenses incurred in connection with such solicitation.

STOCKHOLDERS SHARING THE SAME ADDRESS

Under rules of the SEC, to minimize mailing costs we are permitted to send a single set of annual reports and proxy statements to any household at which two or more stockholders reside if they appear to be members of the same family. A number of brokerage firms have also instituted this practice with respect to the delivery of documents to stockholders residing at the same address. With this practice, however, each stockholder continues to receive a separate proxy card for voting. Any stockholder affected by this practice who desires to receive multiple copies of annual reports and proxy statements in the future should call 1-619-664-4780.

OTHER MATTERS

The Directors know of no other matters which are likely to be brought before the Annual Meeting. The Company knows of no other matters to be submitted to the stockholders at the Annual Meeting. Therefore, the enclosed proxy card grants to the persons named in the proxy card the authority to vote in their best judgment regarding all other matters properly raised at the Annual Meeting.
